**Remark:** The rationale for issuing this notification is as follows: the Stock Exchange of Thailand issues trading suspension of listed securities of PTT Public Company Limited pursuant to the Supreme Court of Thailand's ruling on PTT Public Company Limited given on 14 December 2007. As a result, the last transaction price of such equity instruments does not represent the fair value and thereby affects the mutual funds that have invested or held equity instruments issued by PTT Public Company Limited. In order to protect the investors' interest and legitimate right and ensure that they are treated fairly, it is therefore necessary to issue this Notification.
