Remark: The rationale for issuing this Notification is that the Securities and Exchange Act (No. 4) B.E. 2551 (1992) specifies that the issuance of regulations governing provision of services as securities registrar shall be under the authority of the Capital Market Supervisory Board. It is therefore deemed appropriate to issue this Notification to replace the Notification of the Securities and Exchange Commission Re: Rules, Conditions and Procedures for Providing Services as Securities Registrar Dated 15 September 1992. In addition, the issuance of this Notification is to improve the regulations on the operation of the securities registrar regarding handling of complaints and provision of contingency plan in case of emergency situations which may affect services of the securities registrar so that the supervision of the securities registrar shall be efficient. It is therefore necessary to issue this Notification.
